Blob's Park is located six miles south of BWI (between Baltimore and Washington) off of the Baltimore/Washington Parkway (295) at Route 175. Take the Jessup exit and the make a right at the flashing light (you'll see it as soon as you are on Route 175). That's Max Blobs Park Road. It winds around for about a quarter of a mile and you'll see the hall! See you then!
